RECOGNITION MOVES

Three source-grounded rules in use

01 **02** **03**

Set the main title in Palatino and use Futura for navigation, study IDs and table labels.

NAVIGATION

01 **02** **03**

Use deep purple #563B75 table headers with white labels and pale lavender #F0EBF5 body-cell shading; retain black reading text on white pages.

DATA

Repeat the source woven strip using lavender horizontal threads and purple, rust and charcoal vertical threads; preserve visible crossings and white breathing room.

EVIDENCE

ADAPTATION

A one-page synthesis retains study IDs and the disagreement row.
